

Dear Users

You may or may not have noticed that from the 29th of November to the 6th of December we have not been able to receive any emails. Unfortunately it has taken over a week to resolve this problem with BT.

The problem has been fully resolved and our internet is in full operation. We apologise for any inconvenience caused.

If you have tried to get in touch with us during this time we would ask that you resend your email and we will deal with your query as soon as possible.

Many Thanks

BCCA
